

Viper 20W50 SL/CF

MOTOR OIL

Viper 20W-50 is produced by blending quality base oils and high performance additives. It is gasoline engine oil. Especially with gasoline and LPG vehicles that are used extensively in urban traffic. It is an engine oil that can be used in all seasons with effective performance in passenger and commercial diesel engines. The detergent, dispersant and antifoam additives it contains keep the engine clean for a long time, it prevents the formation of sediment and deposits. It protects the oil film thickness by reducing the effect of heat change on oil viscosity. It facilitates the first start-up in cold weather and provides effective lubrication in hot weather. It protects the engine against all kinds of corrosion and rust and prolongs its life. With effective detergent and dispersant additives, it prevents the formation of deposits and keeps the engine clean. It provides fuel economy with its excellent viscosity control feature.

| TEST | METHOD | TYPICAL VALUES |
|---|------------|----------------|
| KINEMATIC VISCOSITY (100°C), [MM ² /S = CST] | ASTM D445 | 16,3-21,9 |
| VISCOSITY INDEX | ASTM D2270 | MIN.110 |
| FLASH POINT, °C | ASTM D92 | MIN.230 |
| POUR POINT, °C | ASTM D97 | Max. -24 |

Approval and Specifications:

API SL/CF, VW 501.01 / 505.00, ACEA A3/B3-04, MB Approval 229.1
